International Transfers

M+C uses advanced technology and industry-beating fx rates for international transfers.

# Pay Blocks

Cost effective and instantaneous worldwide salary distribution.

## WHAT?

Single platform payroll system with immediate transfers worldwide.  
Cost and time efficient with no intermediary banks' exorbitant bank charges or delays.

## WHO?

Any employer or contractor who needs to pay employees, subcontractors, freelancers or part timers their salaries, commissions or expenses, wherever they are in the world.

## HOW?

Beneficiaries have a M+C MasterCard that can be used worldwide.  
Employer or payer can securely load any card with any amount 24/7.  
Only employees and beneficiaries have access to their own account history and data.

## WHY?

Elimination of intermediary banks reduces cost, saves time and transfers are instantaneous.  
Easy and simple enrolment for employers or payers.  
Pay from anywhere at any time. Beneficiaries or receivers of payment always receive the full amount.

## 5 EASY STEPS

STEP 1 Payers apply for M+C corporate account

STEP 2 Paying company joins M+C Pay Blocks

STEP 3 Private card holders are enrolled into M+C Pay Blocks by the paying company

STEP 4 Distribution of amount due from M+C Pay Blocks to card accounts of employees or beneficiaries

STEP 5 Pay Blocks members have global access to their funds via ATM or POS devices
